HOLIDAY GREETINGS TO ALL AGENCY PERSONNEL

As we celebrate the holiday season, there is much for which we can be thankful. As an Agency, we have had a very successful year and can take personal pride in our accomplishments. We have contributed to the security of our nation and, I believe, have established a better understanding of the Agency by our customers and our fellow American citizens. We can be thankful for the unique opportunity in serving our nation as a member of the Central Intelligence Agency.

I want to thank each of you for your contributions to your Government and Agency during the past year. I wish each of you and your family a very Merry Christmas and a successful and Happy New Year.

William J. Casey
Director of Central Intelligence
